February's Joint Rally Recap

In February, our Oklahoma Unit joined together with the Heart of Texas Unit for a winter gathering at Winstar RV Park, Thackerville OK February 26-27. The weather was ideal and the facilities at Winstar excellent. 10 rigs show up for a lot of fun and camaraderie. We had a great club room to hold our Friday meet-and-greet with hors d'oeuvres and Saturday's potluck dinner. Several folks took advantage of the Diana Ross concert Friday night as others challenged the one armed bandits. Saturday was spent visiting, sightseeing, relaxing and, oh yes, did I mention the great potluck dinner!

Region 9 Rally Reflections

The WBCCI Region 9 rally in Shawnee is now in the history books but the memories will last a lifetime. Seventy six rigs showed up for six days of fun and entertainment. If you've never attended a regional rally I would encourage you to do so. There are seminars, games, entertainment, meals and plenty of opportunity to explore the surrounding areas. Many of our Texas friends took the opportunity to drive to OKC to visit the Western Heritage Museum and Murrah Bombing Memorial. Others visited the surrounding areas in Shawnee including the museum at Saint Gregory's College.

The indoor facilities were spacious and the on-site catering staff did an excellent job keeping us fed. The dinner entrees included pork loin on Thursday, lasagna Friday, and baked chicken Saturday. For breakfast it was biscuits and gravy and scrambled eggs on Thursday, pancakes and sausage Friday and, fresh baked cinnamon rolls and fresh fruit on Saturday.

Meet our Members

Meet Joel, Jamie, Jake and Jolie Cavness. The Cavness' live in Westville, OK. Westville is right on the eastern border next to Arkansas. The Cavness' recently took advantage of Spring Break and headed to Louisiana for a fun week of camping at Lake D'arbonne State Park. Lake D'arbonne is located in northern Louisiana about 20 miles from the Arkansas border; near Farmerville LA.

The Cavness' enjoy traveling in their Airstream every chance they get. When they do they tend to attract a lot of attention from Airstream admirers as Jamie noted when she stated "Got several compliments on our trailer!"

A big THANKS to the Cavness' for sharing the pictures of their trip to Louisiana. Keep those wheels rolling!

Do you have some pictures you can share? Please send them to me with a short narrative so I can post in our newsletter for our fellow members to enjoy. wandjok@gmail.com

Recipe of the Month

Jalapeno Poppers

Need a quick hors d'oeuvres for a gathering or dinner? Try this. Jackie made these for the meet-and-greet at our February Winstar rally and they were a great success.

Take a Jalapeno and cut in half longways. Remove seeds and fill with cream cheese. Cut a strip of bacon in half and wrap it around the pepper. Keep in place with a toothpick. Bake at 350 degrees until bacon is crisp. Best if you can bake on a sided cookie sheet with a rack on top so the peppers aren't sitting in the bacon grease. Make as many or few as you like. Outside grilling is another option!

Delicious!
